## PIC Statutory Responsibilities

(1) Ensure that the State's procurement system is utilizing the most advanced procurement methods and management techniques, including policies, procedures, and forms for all procurement activity and contract management;

(2) Effect and enhance communication between State units on procurement matters, with an emphasis on disseminating information on current developments and advances in procurement methods and management;

(3) Provide a forum for the discussion of specific procurement issues and problems that arise, including:
   i. Procurement officer training;
   ii. Risk analysis and insurance requirements;
   iii. Management of *eMaryland Marketplace* and other Internet procurement resources;

iv. Use of *eMaryland Marketplace* and compliance with State Finance and Procurement Article (SFP) §17–502;
v. Use of intergovernmental cooperative purchasing agreements;
vi. strategies to increase the participation of small, minority-owned, and women-owned businesses in procurement contracts; and
vii. Any other issues or problems identified by the Council;

(4) Advise the Board on problems in the procurement process and make recommendations for improvement of the process;

(5) Review existing procurement regulations to:
i. determine whether they fulfill the intent and purpose of the law, especially as it relates to fostering broad–based competition; and
ii. make recommendations on the regulations, if revising and restructuring them will result in easier understanding and use; and

(6) Advise the General Assembly on proposed legislation in order to enhance the efficiency and transparency of State procurement.
