Displays and Exhibits

Outdoor Attractions:

Event Ticket Table — Pick up and turn in your "Making the Rank" card for a free Snow Cone (kids only while supplies last).

4th Infantry Division Military Police Platoon — Climb in and see vintage World War II vehicles, equipment, and other period items.

32nd WMD Civil Support Team, U.S. Army National Guard — Step into an Army chemical, biological, radiological, nuclear (CBRN) lab truck and see how our National Guard and Reserve forces protect against CBRN attacks.

Army Reserve Family Programs — Engage in activities that provide good-to-know information about programs and services for Army Reserve Families.

Baltimore County Veterans Center Department of Veterans Affairs — Learn about your local Veterans Affairs branch and how they can help veterans.

Civil Air Patrol — See members of the Col. Mary S. Feik Composite Squadron perform emergency services and color guard demonstrations.

Ft. Meade Police & 241st Military Police/2nd Military Working Dog Detachment — Meet two- and four-legged civilian and U.S. Army Military Police and explore the inside of police vehicles.

Government Employees' Benefit Association — Spin the prize wheel for prizes and learn about GEBA benefits and services.

-Continued other side-

Ham Radio Demonstrations — Learn about self-reliant short-range and regional radio communications, historical and modern, and talk with other amateurs by radio.

Junior Sailors Association — Meet U.S. Navy Sailors and learn how to tie nautical knots.

Korean War Display — See equipment, aircraft models, and uniforms from "The Forgotten War."

Maryland State Police — Learn what it's like to serve as a Maryland State Trooper.

Don't miss the landing and take-off of a modern state Emergency Medical Rescue helicopter. Meet members of the SWAT State Team and Underwater Recovery Team and see equipment they use.

Military Cyber Professionals Association — Learn how MCPA supports military cyber professionals and their families, such as K-12 STEM outreach and professional development.

National Cryptologic Museum Foundation — Learn how the Foundation supports the museum, and their work in building a new conference center and museum. Show your colors by getting a raffle ticket to win a wooden hand-made red, white, and blue American flag to hang on your wall.

NSA Police — See and learn about weapons and gear and the officers who use them.

Bicycle Patrol Unit
Emergency Response Vehicles
Hazardous Devices Response Unit (HDRU) Vehicle and Trailer
Mobile Command Unit
NSA K-9 Demonstrations
Pull-Up Bar
Sobriety Goggles
Training Unit
Weapons of Mass Destruction Truck and Gear

SHAPE Fitness Centers — Pump out jumping jacks and sit-ups for a prize.

Tower Federal Credit Union — Play Plinko to win prizes and learn about Tower Federal services for government employees.

USAA — The United Services Automobile Association provides services to members of the Armed Forces and their families. Can they help your family?

Vintage State Police Vehicles — See the vehicles our State Troopers drove decades ago!

Indoor Attractions:

70th Intelligence, Surveillance, & Reconnaissance Wing, U.S. Air Force — Meet Airmen of the U.S. Air Force's 70th ISRW and the specialties and missions they provide to protect our nation.

Cold War Museum — See and learn about the Cold War through artifacts from the period.

K–12 STEM Outreach — Code makers and codebreakers, solve puzzles and other cryptologic challenges.

Spot Tours — Stop by major exhibits to learn from our volunteer docents about making and breaking codes, cryptologic machines, great cryptologists, and their impact on world history.

U.S. Naval Sea Cadets — Get some hands-on training in STEM activities with the Central Maryland Corsairs Squadron.

Food & Refreshments

Food & Drinks —Marine Cryptologic Support Battalion, USMC

Snow Cones — Free (while supplies last) to children who complete the "Making the Rank" card (Optimist Club of Freedom District. Courtesy of National Cryptologic Museum Foundation (also for sale)).
